

School Year: **2022-23**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Grant Elementary School	12-62752-6007777	December 14, 2022	

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

We have created our goals based on our school's needs which include goals for academic progress in ELA and Mathematics. We also have goals that will help students socially, emotionally, and behaviorally.

These goals will address the needs of the entire child and are aligned with the District's LCAP goals which include:

Goal 1: All students will demonstrate high academic achievement and college and career readiness in clean and modernized schools.

Goal 2: All students will learn in a safe, supportive, and culturally responsive environment where students, families, and community are valued, connected, and engaged.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Healthy Kids survey was administered to students 5th grade students during the 2021-2022 school year. Results indicate that work needs to be done to include students in decision making, making them feel safe and connected to school and increasing student motivation.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Observations by site and district staff were conducted on a regular basis. Site goals around academic achievement and school climate were a focus. Observations indicate a need for staff professional development on positive behavior interventions and supports, restorative practices, classroom management and support for implementing Core Curriculum.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Staff analyze formative and summative assessments on an ongoing basis in order to drive instruction to support differentiated student learning. The Eureka City Schools Elementary team was trained in elements of the district LCAP. The county coordinator along with District and Site coaches/staff facilitated trainings for staff to analyze our CAASPP data. Our school grade level teams set goals for student improvement that are based on the CAASPP results and are aligned with the districts LCAP goals. Staff analyze formative and summative assessments on an ongoing basis in order to drive instruction to support differentiated student learning.

Staff utilize assessments from adopted curriculum and a pacing guide has been created to provide timely feedback. Staff are provided the opportunity to analyze student data and make instructional and curricular decisions based on student need. Additionally, staff are trained and utilize interim assessments to guide instruction in language arts and math.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

In order to be responsive to student academic and social/emotional needs during COVID-19, the Learning Continuity and Attendance Plan was developed by the district in the 2020-2021 school year. This allowed for a smooth transition to in person learning for the 2021-2022 school year. In order to accurately gauge the loss of learning during distance learning, we have a collection of assessments in place for determining areas of need and how to address the holes in student's educational progress. We started the 2022-2023 school year with assessments in reading using RenLearn which provides teachers with both a math and reading level. We also administered the Fountas and Pinnell BAS reading assessment to all students in grades first through fifth. We also utilized IXL digital diagnostic in the areas of language arts and math to establish a baseline in these areas. We currently use the Humboldt County Core Growth assessment system for our TK-2nd grade students and teachers have time built into their instructional day specifically set aside to assess students. This measures skills in both language arts and math. Additionally, our district participated in CAASPP testing during the 2021-2022 school year and this information was reviewed once available.

We have implemented a schoolwide data tracking system that is updated every three months. The data is reviewed by our site data team and changes in instruction and intervention reflect the current student need. Staff are provided regular opportunities to reflect on student progress and teaching is modified as needed. There is an active Student Study Team at Grant Elementary that regularly to address academic, behavioral and other student concerns in partnership with families.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

Grant School provides rigorous curriculum for its 250 students with 10 regular education classroom teachers, one Specialized Academic Instruction Class Teacher, one Resource Specialist Teacher, one EL Teacher, one Reading Intervention Teacher, one .5 Math Intervention Teacher, and one CARE Specialist. Student instruction is supported by the services of a speech therapist, a school psychologist, student services coordinator, and a school nurse. Other personnel include our principal, a school secretary, a library technician, literacy technicians, a clerk typist, two custodians, a food service worker, four cafeteria/playground monitors, an after-school program coordinator, and leaders.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers are fully credentialed and are provided with district adopted curriculum for all students; teachers are provided training/support on utilizing adopted materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development is tied to content standards and data around those standards, site staff team-building and standards of the teaching profession.

Pre-service days are attended by all teachers TK-5. The pre-service days provide training around our district curricula in ELA, Math, and Social Emotional Development. A scope and sequence for SEL, as well as, a digital component were provided to teachers to explore and access. During the year, three days of ongoing professional development was attended by TK-5 teachers. Visible Learning with an emphasis on Learning Targets and Success Criteria was one theme for training. Accessing online resources such as IXL and Data sheets was a focus of on site trainings. Every other Monday, administrators and CARE specialists prepared professional development opportunities around Phonics progression, Universal Screening tool and SEL, Data Days, responding and diagnosing data, and writing.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

District-based instructional coaches (CARE Specialists) are available 5 days a week to teachers for ongoing professional development and support. Grant Elementary also utilizes teacher leaders to support peers, such as in the area of Language Arts, ELD and Math. Teachers also have ongoing access to administrative support as needed

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers collaborate weekly during planned collaboration time. Collaboration days rotate from teacher led to site/district administrator led on opposite weeks. Grant's Leadership team composed of teachers and the site administrator select topics of collaboration focus. The topics selected support site and district based goals. The site administrator and CARE Specialist support teachers during their collaboration. Teachers also collaborate specifically around the area of writing every other month. They are given release time to work with grade alike colleagues and review student progress.

Students dismiss early on Mondays to allow for collaboration across TK-5. Every other Monday is facilitated by administrator, and other Mondays by teacher grade level teams. CARE is an active part of establishing this development time. Focus is on ELA, math, and social emotional learning.

CARE specialists are targeted to specific areas of coaching: TK-2 ELA, TK-2 Math, 3-5th ELA, 3-5th Math. This allows coaching cycles to reach more teachers around content. New teachers are encouraged to complete at least one coaching cycle in the year. Teacher Academy is led by our CARE specialist. At the Academy, teachers collaborate around district initiatives, new teacher needs, and best practice in the teaching of reading, writing, and math. Many teachers attend the Academy regardless of years of service.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Curriculum, instruction and materials at Grant are aligned with the appropriate State standards. Teachers adhere to district developed pacing guides to ensure timely delivery of content and assessments.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Weekly schedules are reviewed by the instructional coach and administrator at the start of the school year to ensure teachers are providing the recommended instructional minutes in both language arts and math.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Students at Grant Elementary have access to reading and math intervention. English Learners are provided ELD instruction daily. Students with IEPs and 504s have access to these supplemental services as they are needed in their goals.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

The school board approves the standards-based instructional materials. Diverse standards-based curriculum is delivered in all classrooms.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

School provides ELD instruction to all qualifying students. Indian Education services, special education services and intervention services in reading and math are all available to any student who needs it. Social emotional learning is offered to all students as well.

Evidence-based educational practices to raise student achievement

Differentiation is used in every classroom to address unique learning needs of each student. Universal Access in the form of guided reading is offered to all students daily. Literacy technicians, math technicians and classroom aides are utilized to support students in need of extra support and practice. Structured student talk is used to build communication skills and support critical thinking. All teachers are trained in various engagement strategies and instructional norms in order to support equity, develop relationships and checking for understanding.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Students performing at least 2 years below grade level in reading skills are recommended for Reading Intervention. Through the BPST assessment, Reading Intervention and classroom teachers address phonics gaps in students through UFLI. Family and school may both request a student study team meeting be held to address under performance.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

The School Site Council is made up of parents, teachers and other school personnel. They provide feedback on Title 1 programs and expenditures. The Site Council meets monthly and regular opportunities for input are embedded in each meeting.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Library technicians provide opportunities for students and classes to access quality literature to meet ELA standards. CARE specialist supports teacher growth and data collection, so teachers are building strong targeted lesson in the classroom to address diverse student needs.

Through PIQE, both EL and non- EL families/parents access information to understand and clarify the educational systems. The overview of school systems and stakeholders is explained to parents. Parents become more familiar with the school system, so they can easily navigate the school to support their child.

Social emotional learning is supported by the addition of supplemental materials and curriculum that align with the Second Step scope and sequence.

Fiscal support (EPC)

Grant Elementary in conjunction with the District, receives Title 1 funding that is identified and allocated based upon the student population and enrollment that is then utilized to provide Title 1 services. The School Site Council reviews progress monthly and provides ongoing input to the allocated expenditures.

Some funds will be used to support PIQE and materials for families. Booklets are available. All lessons are virtual, so families can access from home.

Teachers are trained on completing a digital BTF to track behavior incidents for schoolwide decision making around school climate.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

School Site Council met to review 2022-2023 data on November 29, 2022. At this meeting, stakeholders reviewed previous year's data, discussed Grant's academic and school climate, and input was elicited. At a meeting on December 14, 2022 School Principal provided a draft of budget

expenditures, based also on input from previous meetings, to stakeholders. Stakeholders voted to approve the School Plan for Student Achievement on December 14, 2022.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	19-20	20-21	21-22	19-20	20-21	21-22
American Indian	5.84%	4.1%	2.40%	16	10	6
African American	2.92%	1.6%	1.60%	8	4	4
Asian	11.68%	13.1%	13.20%	32	32	33
Filipino	0%	%	%	0		
Hispanic/Latino	23.36%	25.3%	27.60%	64	62	69
Pacific Islander	0.73%	0.4%	0.40%	2	1	1
White	43.07%	43.3%	42.00%	118	106	105
Multiple/No Response	12.41%	11.8%	12.80%	34	29	32
Total Enrollment				274	245	250

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	19-20	20-21	21-22
Kindergarten	35	34	47
Grade 1	43	27	42
Grade 2	42	43	30
Grade3	51	43	45
Grade 4	48	47	40
Grade 5	55	51	46
Total Enrollment	274	245	250

Conclusions based on this data:

1. Grant's enrollment has declined.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	19-20	20-21	21-22	19-20	20-21	21-22
English Learners	60	51	52	21.9%	20.80%	20.8%
Fluent English Proficient (FEP)	4	9	3	1.5%	3.70%	1.2%
Reclassified Fluent English Proficient (RFEP)	0	6		0.0%	2.40%	

Conclusions based on this data:

1. Continued support is needed in this area.
2. EL Tech support provided through Title I to support this need.
3. Students continue to need specific instruction in the area of language acquisition.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Overall Participation for All Students

Grade 4	7.69	7.32	10.81	44.23	80.49	70.27	48.08	12.20	18.92
Grade 5	25.53	13.46	13.04	40.43	61.54	63.04	34.04	25.00	23.91
All Grades	20.00	9.85	10.40	46.90	68.94	68.80	33.10	21.21	20.80

2019-20 Data:

Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year, thus no data is available to report for this year.

Conclusions based on this data:

1. Overall the percentage of students that met or exceeded the standard increased.
2. Producing clear and purposeful writing should continue to be a focus for all students.
3. Continued professional development around newly adopted ELA curriculum TK-5 should be a priority.

Communicating Reasoning									
Demonstrating ability to support mathematical conclusions									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	18-19	20-21	21-22	18-19	20-21	21-22	18-19	20-21	21-22
Grade 3	17.39	15.79	7.14	60.87	52.63	69.05	21.74	31.58	23.81
Grade 4	3.77	4.88	13.51	49.06	46.34	37.84	47.17	48.78	48.65
Grade 5	10.20	5.77	10.87	46.94	59.62	56.52	42.86	34.62	32.61
All Grades	10.14	8.40	10.40	52.03	53.44	55.20	37.84	38.17	34.40

2019-20 Data:

Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year, thus no data is available to report for this year.

Conclusions based on this data:

1. Although the percentage of students below the standard overall decreased, Mathematics continues to be an area in need of improvement.
2. Collaboration around pacing and instructional practice shall continue in the 2020-2021 school year.

2019-20 Data:

Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year, thus no data is available to report for this year.

Conclusions based on this data:

1. A 1.0 FTE EL Teacher will support identified EL students in the area of language development through reading, writing, listening and speaking instruction.
2. A 3 hour EL Tech continue to support identified EL students in the area of language development through reading, writing, listening and speaking instruction.
3. Professional development for teachers will continue in the area of best teaching practices for English Language Learners.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
250	78.4	20.8	1.6
Total Number of Students enrolled in Grant Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	52	20.8
Foster Youth	4	1.6
Homeless	8	3.2
Socioeconomically Disadvantaged	196	78.4
Students with Disabilities	38	15.2

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	4	1.6
American Indian	6	2.4
Asian	33	13.2
Filipino		
Hispanic	69	27.6
Two or More Races	32	12.8
Pacific Islander	1	0.4
White	105	42.0

Conclusions based on this data:

1. Grant has a diverse student population. Continued work with Culturally Responsive Teaching is needed.
2. Staff will continue to analyze the CA Dashboard in order to identify subgroups that require extra support in the area of language arts.
3. Staff will continue to analyze the CA Dashboard in order to identify subgroups that require extra support in the area of math.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

1. Suspension rate decreased from prior year. Continued work with PBIS, Restorative Practices, and SST system to maintain progress.
2. Language Arts and Mathematics are both areas in need of improvement schoolwide.

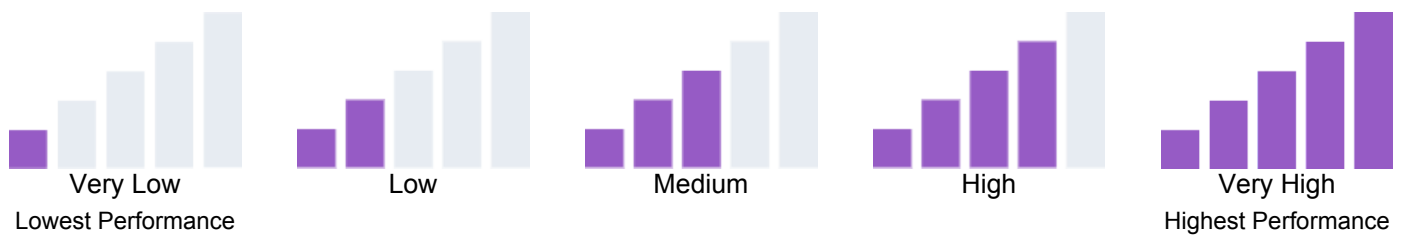

3. Teachers will support students in the area of Language Arts through the implementation of Fountas and Pinnell Classroom in grades TK-5. A plan has been developed to support professional development around implementation of newly adopted ELA materials.

School and Student Performance Data

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

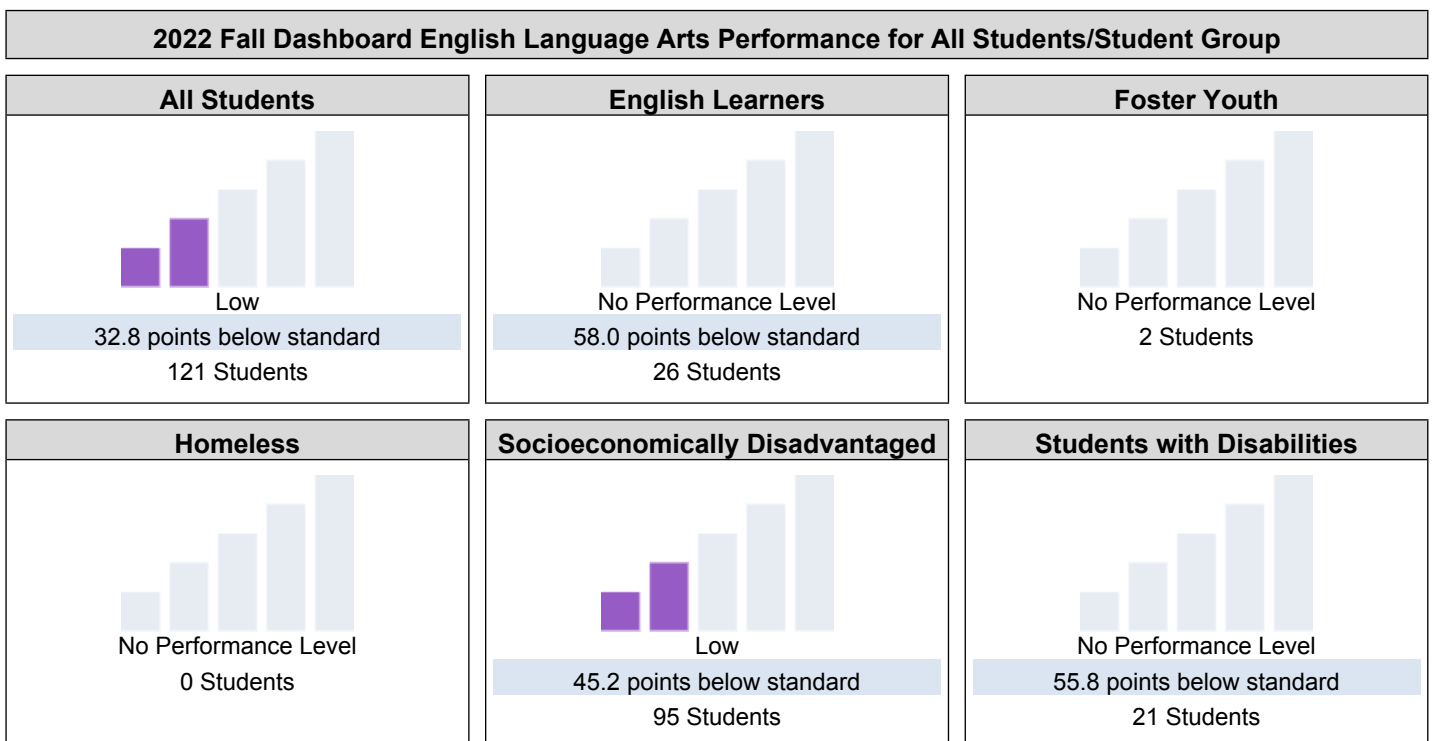

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

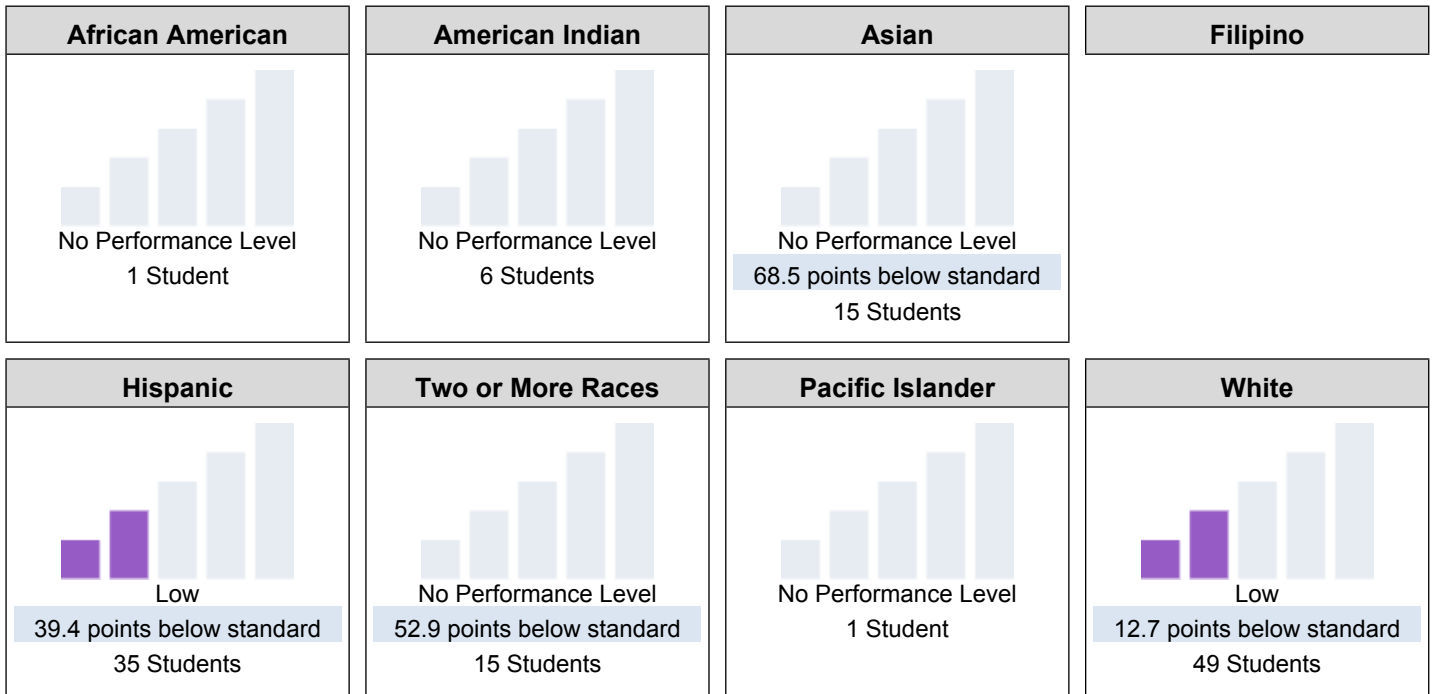

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
68.5 points below standard 23 Students	3 Students	27.3 points below standard 94 Students

Conclusions based on this data:

- Overall all students increased from the prior year.
- Socioeconomically Disadvantaged student scores increased from prior year. Both English Learners and Students with Disabilities scores increased significantly from prior year.
- Teachers will support students in the area of Language Arts through the implementation of Fountas and Pinnell Classroom in grades TK-5. A plan has been developed to support professional development around implementation of newly adopted ELA materials.

School and Student Performance Data

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p style="background-color: #e6f2ff;">53.3 points below standard</p> <p>23 Students</p>	<p>3 Students</p>	<p style="background-color: #e6f2ff;">40.9 points below standard</p> <p>94 Students</p>

Conclusions based on this data:

1. Overall "All Students" scores increased significantly over prior year.
2. EL students, Students with Disabilities, and Socioeconomically disadvantaged student scores increased significantly over prior year.
3. Teachers will support students in the area of Mathematics through continued professional development in Everyday Math and planning pacing guides are being developed to ensure consistency across grade levels.

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
6	8	3	21

Conclusions based on this data:

- English Learners scored in the medium performance level overall.
- Almost all English Learners are making progress towards English language proficiency.
- Continued support for English Learners is needed. Continued professional development around instruction for English Learners is needed.

School and Student Performance Data

Academic Performance College/Career Report

College/Career data provides information on whether high school students are prepared for success after graduation based on measures like graduation rate, performance on state tests, and college credit courses. College/Career data was not reported in 2022.

Conclusions based on this data:

- 1.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

- Grant's chronic absenteeism rate is higher than the State, County, and District average.
- Students that are identified as English Learners and Socioeconomically disadvantaged have the highest rates of absenteeism. Overall Hispanic students have the highest rates of absenteeism at 29.4%.
- A 3 hour attendance clerk has been hired to support students that encounter barriers that impacts regular attendance.

School and Student Performance Data

Academic Engagement Graduation Rate

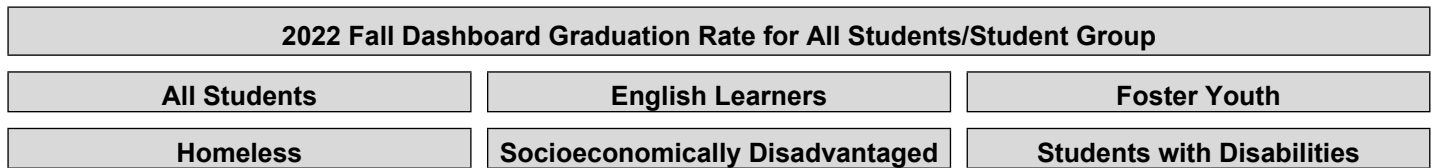

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Very Low Low Medium High Very High
Lowest Performance Highest Performance

This section provides number of student groups in each level.

This section provides information about students completing high school, which includes students who receive a standard high school diploma.

Conclusions based on this data:

- 1.

School and Student Performance Data

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

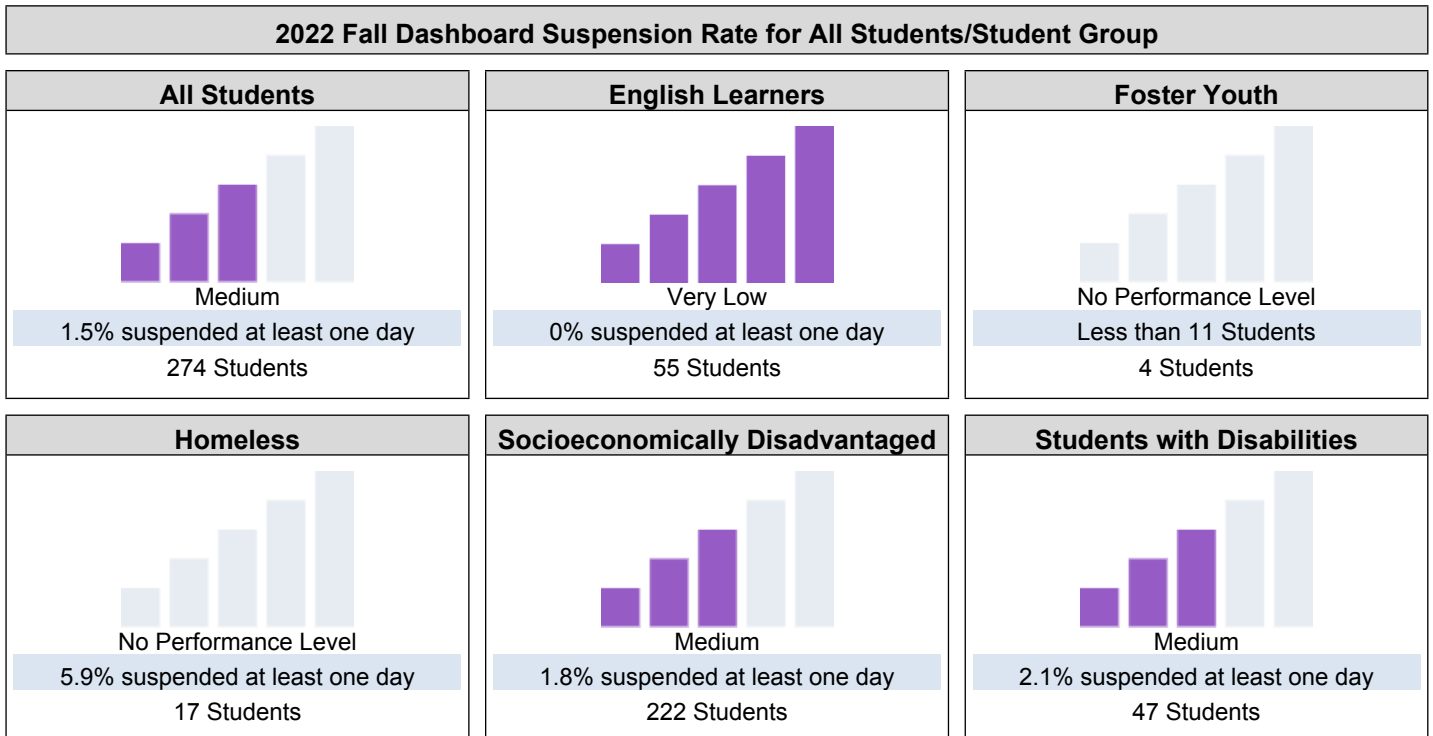

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

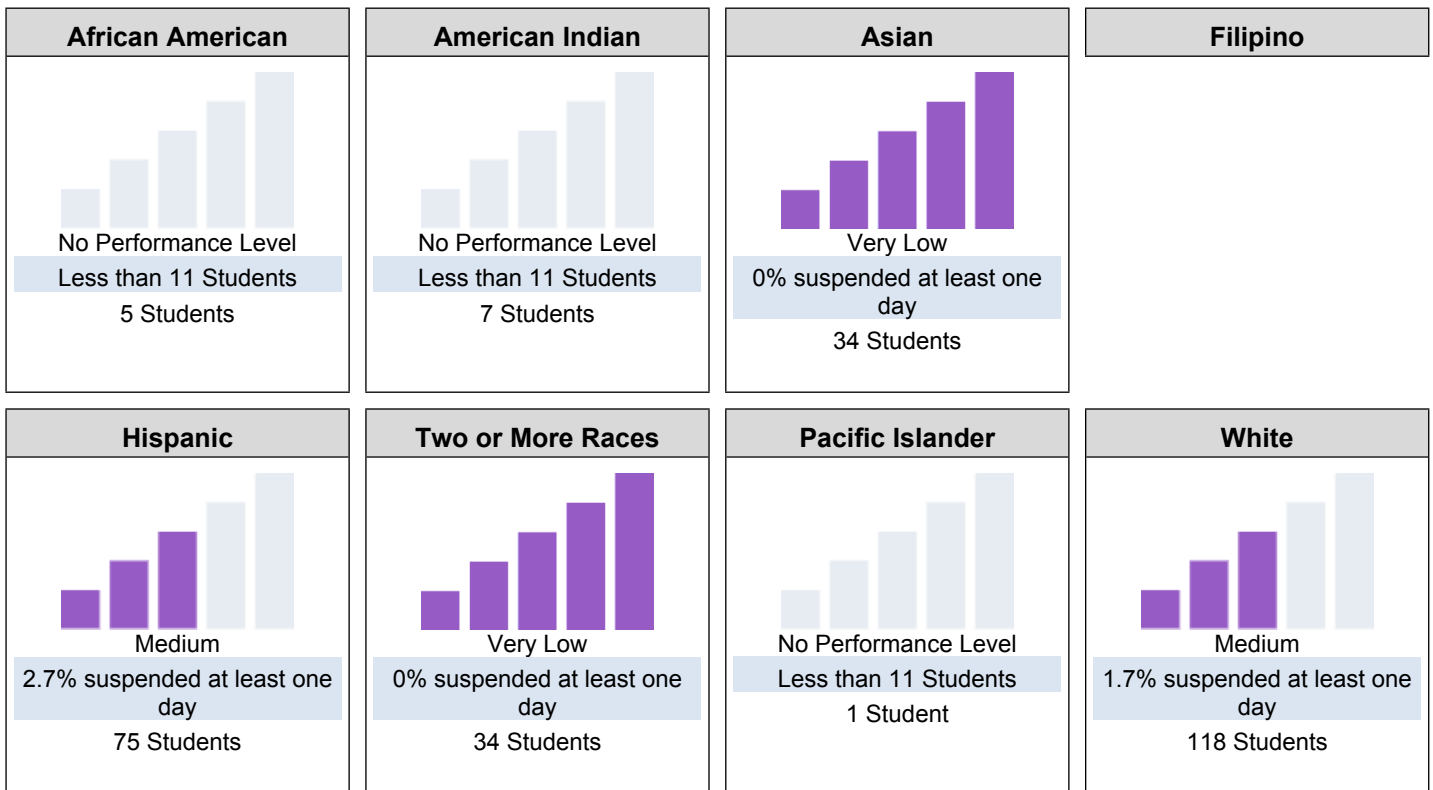

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

1. The suspension rate declined significantly from the prior year from 3.4 to 0.9.
2. Suspension for Hispanic students increased from prior year while all other subgroups decreased or maintained.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

All students will demonstrate high academic achievement and college and career readiness in clean and modernized schools.

Goal 1

1. Grant Elementary will increase school-wide math scores by 5% each June as measured through the CAASPP (SBAC) and multiple measures including Curriculum and Teacher Based Assessments and CAASPP Interim Assessments.

2. Grant Elementary will increase school-wide reading scores by 5% each June as measured through the CAASPP (SBAC) and multiple measures including FPC, IXL, stAR Reading, Curriculum and Teacher Based Assessments, and CAASPP Interim Assessments.

Identified Need

Student CAASPP results in ELA and Math indicate a need to continued work with staff and students in the area of improving academic skills.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP	In 2021-2022 28% of students met or exceeded Overall Achievement for All Students in Language Arts. 32% of students or exceeded Overall Achievement for All Students in Math.	Increase the number of all students meeting or exceeding the standards in ELA and Math by 5%
Benchmark Assessment System (BAS)	To be determined-Due to the COVID 19 Pandemic academic data is limited.	All students make one year or more progress/growth in a one year period

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The 2021-2022 CAASPP summative was administered. ELL intervention classes were implemented by grade level. During the 2021-2022 school year, 7 students achieved RFEP status. The school library was utilized on a daily basis during the 2021-2022 school year. Literacy and EL Techs were utilized to support teachers and students in the virtual setting. The CARE Specialist supported students and staff throughout the school year. Site implemented Data Teams around Writing About Reading and release days were provided for staff professional development and collaboration around writing. Feedback Cycles were implemented for 2-5 in the areas of ELA and Mathematics. TK-3 adopted and implemented the Fountas and Pinnell Classroom Curriculum and were provided opportunities for professional development and support. In addition, Eureka City Schools follows a collaboration model to promote collaboration and provide professional development. Monday's are early release for students, and staff alternates between teacher led and principal led collaboration. Much of the provided opportunities directly related to district curriculum and other systems of support. Many of the items implemented during the 20121-2022 school year proved to be working towards support of Goal 1.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Grant Elementary made student learning a priority in the 2021-2022 school year with the return of in-person learning after the COVID 19 Pandemic.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

This goal will be updated according to the feedback provided by the School Site Council following an analysis of current needs of the school site. Some areas of this goal will remain intact as the need for direct student services continues to be a priority for Grant Elementary School.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

All Students will learn in a safe, supportive, and culturally responsive environment where students, families, and community are valued, connected, and engaged.

Goal 2

Increase student engagement and decrease chronically absent rate by 3%.
Maintain suspension rates below 5% for all students and subgroups.

Identified Need

Chronic absenteeism continues to be an issue. Continue education of students and families about the need to be at school on time ready to learn. Continue to have weekly attendance meetings and attendance SART meetings regularly (Student Attendance Review Team) Due to the Covid-19 Pandemic attendance data is limited. This plan is written to reflect the data that was collected in the 2018-19 schoolyear and goals will remain the same.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
A2A	38.2 % of Grant Students were chronically absent in the 2021-2022 school year. It should be noted that in the 2021-2022 school year, we were still in the Covid-19 Pandemic. This plan is written to reflect the data that was collected in the 2018-19 schoolyear and goals will remain the same.	Decrease number of chronically absent students by 3%.
CA Dashboard	1.5% of Grant Students were suspended at least once during the 2021-202 school year. Due to the Covid-19 Pandemic attendance data is limited. This plan is written to reflect the data that was collected in the 2018-19 schoolyear and goals will remain the same.	Maintain suspension rate below 5% for all students and subgroups.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Annual Review

SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Efforts must be made to decrease the suspensions of students of two or more races. Digging into the data to identify these students and research the causes for suspension will be a first step. During our MTSS weekly meeting, we will address these equity reports in SWIS. There was a functioning PBIS leadership team to analyze school data and identify needs and problem areas on campus.

Grant Elementary is implementing a Community Schools Model this year to support students in accessing their learning when behavior is a barrier. Moreover, Grant Elementary uses Restorative practices and Other Means of Correction to decrease suspension rates. Providing social emotional support through Second Step, PBIS, and reaching out to community mental health and other service agencies is a critical component to decreasing suspension rates and strengthening students' connectedness to school.

As a means of increasing student engagement and decreasing our chronic absenteeism rate, a number of systems and supports were implemented or continued from the previous year. Awards' Assemblies and other student recognition occurred as scheduled. PBIS and Restorative Practices have been utilized for a number of years in Eureka City Schools. Through these initiatives, positive behaviors are recognized and efforts are made to offer opportunities for student growth and reflection. The CARE Specialist supported site by organizing student success team meetings based on academic, behavioral, and attendance data. Alternatives to suspension were implemented including lunch time Level Up to provide students opportunities to reflect on their behaviors and make plans to restore harm they may have caused to the school community. An attendance team met regularly to strategize decreasing Chronic Absenteeism.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were no major differences noted.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Continue with strategies to decrease suspensions and to increase attendance and engagement.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$
Total Federal Funds Provided to the School from the LEA for CSI	\$
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$151,499.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
Title I	\$151,499.00

Subtotal of additional federal funds included for this school: \$151,499.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
-------------------------	-----------------

Subtotal of state or local funds included for this school: \$

Total of federal, state, and/or local funds for this school: \$151,499.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

Name of Members	Role
Rachel Brakeman	Principal
Josh Kieselhorst	Classroom Teacher
Emily Kinder	Classroom Teacher
Devon Freitas	Other School Staff
Derek Glavich	Parent or Community Member
Sarah Woods	Other School Staff
Jeremy Fata	Parent or Community Member
Kerya McBeth	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on December 14, 2022.

Attested:

Principal, Rachel Brakeman on 12/14/2022

SSC Chairperson, Emily Kinder on 12/14/2022

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Stakeholder Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
