## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### Mission Statement

Lafayette Elementary is committed to inspiring the academic, social and personal success of all students by providing a challenging and meaningful curriculum honoring the uniqueness of each child. At Lafayette Elementary the vision for each student is: Every student, Every Day, Giving 100%, the Lafayette Lion Way.

### School Profile

At Lafayette Elementary School, we take pride in our growing academic program and in our commitment to family and community. Education at Lafayette Elementary School is child-centered with a strong emphasis on on reading, writing, math and social emotional learning. Students are engaged in rigorous academic activities that showcase their abilities to read text and comprehend them with good understanding, solve multi-step problems in all academic areas and work in collaborative groups as well as work independently.

Our academic focus is on increasing student achievement and competency in both language arts and math. Each grade level uses the California Common Core Standards to drive instruction and provide meaningful feedback to our students. We work together to make learning visible at Lafayette Elementary. We also have a strong focus on building a safe community for our students. This is being achieved through PBIS (Positive Behavioral Interventions and Supports) and Second Step instruction in all classrooms. Our entire staff has been trained on PBIS strategies and techniques and is led by strong group of stakeholders including certificated and classified.

Our teachers collaborate regularly around academic progress and instructional strategies. Technology is also a cornerstone of our work with students. We utilize a number of digital platforms to promote knowledge growth for all learners. We also work year-round on literacy and math differentiation with WIN (What I need) time. Classroom teachers work closely with specialist teachers to ensure individual student needs are being met. At Lafayette Elementary, students who need it are offered both reading and math intervention. Our daily expanded learning program (ASES) offers help with homework in grades TK-5, as well as extra support for struggling readers. It also engages our students in sports activities including a bike club, crafts, cooking, music, cultural explorations, and much more. The Afterschool program currently supports students with homework assistance and numerous other academic activities.

## 2023-24 School Description and Mission Statement

At Lafayette, community involvement is highly valued. The PTA is an active, growing, integral part of our school and its functions. This group of dedicated individuals supports Lafayette through numerous fundraisers and family events throughout the year. The School Site Council, made up of parents and members of the faculty, identifies common goals for school improvement and provides input on the development of our LCAP goals. It is the goal of all Lafayette employees to work together with families and the community to build confident learners.

### Major Achievements:

- - Increased focus on writing instruction and reading instruction
- - Increased focus on success of identified EL students
- - Expanded services in the area of Reading Intervention and English Language Development.
- - Expanded Learning program (ASES) continues to develop a strong focus on academics and extra support for the more than 125 students who attend this program daily
- - All students, Transitional Kindergarten through 5th grade, receive targeted instruction in language arts through WIN time
- - Our school has acquired a large selection of technology that is specifically designed for student use
- - Development and implementation of a Transitional Kindergarten class.

### Focus for Improvement:

Reading, writing and math remains a focus at Lafayette Elementary with targeted professional development and collaboration. Staff is also working to ensure learning is visible at Lafayette through key areas such as feedback and clarity.

### We will:

- -Utilize common literacy assessments to provide students with targeted language arts instruction. Struggling students will be provided support via the Reading Intervention program. Progress will be monitored and addressed as needed through Student Study Team meetings and other opportunities.
- -Implement instructional strategies to support English learner development and academic success. Students in need will be offered support from our English learner teacher and technician through pull-out/push-in opportunities.
- -Increase technology skills in both staff and students through ongoing trainings and supports.
- -Expand and reflect upon our daily instructional practice in order to best support the academic skills of our students.
- -Strive to support the personal, social and emotional well being of our students through positive behavior supports and trauma informed practice.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	1.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Eureka City Unified held a Public Hearing on September 15, 2021 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements

As a result of Measure S, a locally funded bond, Lafayette Elementary has benefited from modernization in some classrooms, a new parking lot to the front of the school, and a paved parking lot with a designated student drop off/pick up zone to the west of the school. Lafayette maintains a clean, safe environment where students are feel welcomed and supported.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	24	29	34	34	47	46
<b>Mathematics</b> (grades 3-8 and 11)	24	23	22	22	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Lafayette School welcomes parent involvement! We encourage parents to volunteer in classrooms, on field trips, and at school functions. We also welcome parents to become involved in some of the decision making groups on campus such as the School Site Council, Superintendent's Parent and Community Advisory Committee, and the English Learner Advisory Council (ELAC). In addition, our PTA (Parent Teacher Association) continues to seek new members. Many new events are planned each year to bring parents and the community into our school.

Lafayette is a wonderful school with a very dedicated and caring staff. We have strived to continue many of our community building activities that were momentarily interrupted by the Covid-19 pandemic. We continue to have Student of the Month recognitions and weekly Lion's Loot drawings for our students. We also continue to grow our partnership with the US Coast Guard through a variety of ways such as classroom involvement and events such as Purple Up Day. If you have any questions or interest in any of our programs, please don't hesitate call.

##### Contact Information:

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Lafayette Elementary at (707) 441-2482.

## 2023-24 School Safety Plan

Lafayette Elementary School is committed to the safety of students and staff. The CSSP serves as our blueprint for preparedness, response, and recovery, encompassing a range of scenarios from natural disasters to unforeseen incidents. This plan is not only a reflection of our dedication to the safety of our students and staff but also a collaborative effort involving various stakeholders. Parents, teachers, administrators, local law enforcement, and community members all play a crucial role in the development of our CSSP, ensuring that it is comprehensive, effective, and tailored to the unique needs of our school community. Together, we are committed to fostering a safe and nurturing space where our students can thrive academically and personally. The School Site Safety plan is reviewed annually and updated by the School Safety Committee. All revisions are communicated with certificated and classified staff. The current School Safety Plan was updated and adopted by the School Site Council on December 6th, 2023.

Goal 1- All students will learn in a safe, supportive, and culturally responsive environment where students, families, and community are valued, connected, and engaged.

Goal 2- Ensure physical safety of students and staff through the continued implementation of Positive Behavior Intervention and Supports. Our Safe Schools Plan continues to be supported and edited by the Lafayette Site Council and approved by the Eureka City Schools Governing Board. Our Safe Schools Plan will be updated annually and reviewed by the School Site Council.

Our PBIS (Positive Behavior Intervention and Supports) program continues to be implemented during the school closures. We continue to promote the three school rules of BE SAFE, BE RESPECTFUL and BE RESPONSIBLE! The PBIS Team continues to meet regularly to maintain consistency and plan for additional support as we transitioned from virtual learning to in person learning.

## Fiscal Year 2022-23 Types of Services Funded

Lafayette continues to be a Title I school. In addition, we receive funds through the state LCFF, which generates the District's LCAP. We use these funds to support our categorical programs and supplemental services. Our budget is submitted to the Site Council and district for their approval on a yearly basis. Support services at Lafayette Elementary are provided through our categorical programs with the planning and guidance of our teaching and administrative staff. Three full time Specialized Academic Teachers and two instructional aide work in tandem with our School Psychologist to provide direct services for our special education students. The equivalent of 1.0 FTE Reading Intervention Teacher, .5 FTE Math Intervention, 1 Literacy Technicians and multiple classroom aides support our classroom instruction. A 1.0 FTE English Language Development teacher and 1 English Language Technician support students in order to accelerate learning for students working to acquire the English Language. An after school program provides students with extra academic support.

## Professional Development

Each year the school principal and teachers, in cooperation with district office staff, use data to determine the need for teacher and administrator professional development. The data include results of CAASPP, ELPAC, and district benchmark exams, as well as results from SWIS data that demonstrate effective PBIS practices.

During the 2019-20 school year the following profession growth opportunities have or will be provided in the following areas: Fountas and Pinnell training, Interim Assessments, Everyday Mathematics, Constructing Meaning, Create Humboldt, Narrative Writing (CARE, teacher, admin collaboration), monthly teacher academy with various topics addressed, SST process training, Peer Observation/Feedback Cycle implementation, Mandated Reporter Training, Planning and Pacing Collaboration and Support, and continued PBIS Training and support.

In March of 2020, Eureka City Schools moved to a Distance Learning Model due to the COVID-19 pandemic. Distance Learning and Hybrid models were created and approved by the School Board for the 2020-2021 school year. Professional Development and trainings around technology and safety have been the focus for all certificated and classified staff. All of these were delivered virtually to ensure the safety of the participants.

During the 2021-2022 school year the following professional growth opportunities have or will be provided in the following areas: Fountas and Pinnell training, Interim Assessments, Everyday Mathematics, Constructing Meaning, Create Humboldt, Narrative Writing (CARE, teacher, admin collaboration), monthly teacher academy with various topics addressed, SST process training, Peer Observation/Feedback Cycle implementation, Mandated Reporter Training, Planning and Pacing Collaboration and Support, and continued PBIS Training and support.

During the 2022-2023 school year, the following professional growth opportunities have or will be provided in the following areas: Fountas and Pinnell training, Interim Assessments, Everyday Mathematics, Opinion Writing (CARE, teacher, admin collaboration), monthly teacher academy with various topics addressed, SST process training, Peer Observation/Feedback Cycle implementation, Mandated Reporter Training, Planning and Pacing Collaboration and Support, and continued PBIS Training and support. Eureka City Schools engaged in work with both West Ed and Corwin to increase professional growth opportunities. One specific area of focus from Corwin was that of Visible Learning and Teacher Clarity. There have also been opportunities to expand knowledge in our various digital platforms such as IXL.

During the 20230-2024 school year, in addition to many of the trainings listed from 2022-2023 that will continue this year, the following professional growth opportunities have or will be provided in the following areas: Amplify ELA curriculum, Restorative Practices and PLC+.

Professional development is provided during and after school through workshops, participation on district-wide committees, at conferences and on days teachers are released from classroom duties. Teachers are supported to implement what they learn by teacher-principal meetings, in-class coaching and collaborating with peers as a professional learning community.

Classified paraprofessional staff development is coordinated throughout the year relating to particular employment strands. In addition, the Humboldt County Office of Education provides on-going trainings that address a number of pertinent issues.
